ROUND 8 REVIEW

Senior Football

Maryborough Rovers def by Natte Bealiba

Natte Bealiba went bang in Saturday's senior football return, with the Swans eclipsing Maryborough Rovers 5.4 (34) to 35.17 (227) at Jubilee Oval.

The Swans knew they were in for a big one, planning a rise up the ladder, now needing to finish top six to defend their reigning premiership title.

A 193-point win has done it, with opening and closing 10-goal quarters being the best scoring highlights of the day.

Rovers went scoreless in the opening quarter, but dug deep to put up a score against a classy side to honour club legend Brad Fraser who pulled on the boots for his 350th senior game.

Known for his forward abilities, currently leading Rovers' goalkicking after just two games, Fraser got on the board on Saturday despite playing all over the ground and was celebrated by both sets of players for a career spanning more than three decades.

Rovers' best in a high-spirited game were Alex Mahony, Jack Dawson, Marshall Murray, Reece Perry and coach Brendon Hedger.

Kieran Johns, Chris Scragg, Murray, Fraser and Brent Hudson were the Pies' goalkickers with one apiece.

It was a massive debut for Jayden Templeton who kicked a bag of 10 in his first game for the Swans since moving over from Maryborough to lead scoring ahead of assistant coach Trent Mortlock who kicked seven and Jye Mortlock kicked five.

Votes went to Templeton, Kegan Ross, Trent Mortlock, Jarrod Bateson (1), Jaxon Stewart and Mitch Olafsen (3).

Natte is now in sixth place and will have to fend off Newstead next round to sustain this ranking while Rovers will brace for another tough game against seventh placed Talbot.

Newstead def by Lexton

It'd been 51 long days since the boys at Lexton had sung their song with the side seizing their chance to get back onto the winners list over Newstead on Saturday.

Going down to Maldon in the last round before back-to-back lockdowns, the Tigers were itching to get back into it at the weekend and had a big day out in front of goals to take a 59-point win at home.

Kicking truly to open with four goals straight, the home side had the early lead with the Kangaroos kicking 2.4 (16).

The Roos were kept to a single minor

score for the whole second term, all the while Lexton put up 4.4 (28) to lead by 35 points at half time.

The Steaders just needed a break and were back amongst it in the third, however inaccuracy saw them kick 2.4 (16) falling far behind the Tiges who slotted 5.4 (34).

A 53-point lead backed Lexton in for a comfortable closing term, marginally outscoring their visitors 3.4 (22) to 2.4 (16) for the 16.12 (108) to 6.13 (49) win.

The Kangas really struggled to put up majors and have no chance of playing finals, currently ranked ninth with one game left of their season.

Mitch Stevens had another good game for the Roos, as did Joel Smith, Jedd Pedretti, Rhys Smith and Matt Schembri made a great impact in his first senior game for the side.

Brad Richardson was best in front of the big sticks with three goals.

The Tigers, now ranked fourth on the ladder will face third-placed Carisbrook this weekend in a massive clash, while Newstead will play Natte Bealiba in its last game of the year, dealt the bye in round 12.

Lexton's scoring and votes wasn't uploaded.

Royal Park def by Trentham

Trentham's undefeated run into finals has continued with the Saints handing Royal Park a 97-point loss in the first round back.

The Tigers trailed by 21 points at quarter time and the side was able to sustain this exact margin into half time with both teams scoring 12 points in the second term, for Park that was two goals and for Trentham that was one goal and six behinds.

This must've riled up at the visitors who put on an explosive second half to take a near triple-figure win.

Park put up just one goal a quarter in the second half of the match, falling behind to 6.4 (40) from the Saints in the third, doubling their entire score and finishing it off with a 7.6 (48) closer for the 5.1 (31) to 18.20 (128) victory.

Joel Cowan was named best on for the Saints, followed by Taylor Ford, Riley Matricardi, Ryan Bourke, Lewis Bruton and Alister Ferrier with Jake Keogh and Ferrier leading the way up forward with five and three goals respectively.

Luke Parker got votes for Bushy, followed by Luke Relouw, Ryan Guareschi, Jackson Lanfranchi, Jay Anderson and Karson Guareschi who kicked a bag of three.

The Saints are ranked second, only behind undefeated Harcourt in first, while Royal Park are in 11thand any previous finals hopes are well and truly dashed.

The Saints will face Harcourt in a blockbuster, while Park has the bye and will finish the year off with the chance for a win against Dunolly.

Harcourt v Avoca

Avoca make the trip to Harcourt on Saturday to meet the undefeated Lions who are taking all before them and it will be a tough task for the Bulldogs to win their fifth game of the season and keep their finals hopes alive.

The Bulldogs last game was a disappointing loss to Natte-Bealiba after a third quarter lapse was costly and will need a four-quarter effort against the Lions.

Avoca and Harcourt have played each other twenty-four times since 2005 with the Lions winning on fourteen occasions and Avoca winning nine times with one draw.

Harcourt has had the upper hand in recent years, but Avoca did win in 2018.

A lot of time has passed since that last win and Harcourt are sitting second on the ladder undefeated with a massive percentage of 468% as they average twenty-one goals a game. In comparison, Avoca has a percentage of just 133% and averaging fifteen goals per game.

Mathematically Harcourt is tipped to win the encounter, and should do so quite comfortably/

Harcourt's defence is the best in the League only allowing 36 goals to be scored against them and they will provide a tough challenge for Avoca's key goal kickers.

Avoca's defence has allowed one hundred and two goals through in their nine games, and they will have a tough challenge against the likes of Zac Denahy with thirty-six goals and Benny Leech with thirty-three goals.

The Lions have many other avenues to goal, and it could be a very hard day at the office for the Bulldogs defenders.

Navarre v Talbot

Talbot travel to Navarre in what could be the game of the round as both teams appear to be evenly placed on the ladder.

Navarre and Talbot have played eleven games since 2011 with the Grasshoppers winning eleven times and the Hawks have only won twice.

Navarre has obviously had the upper hand over the Hawks during the past ten years, but Talbot has evened the playing field in recent times with wins in two of their past three games.

Currently Navarre has won three games for the season with Talbot winning four games, including victories in their last two games.

Navarre has also only kicked fifty-eight

goals in the nine games played, while Talbot has kicked one hundred and two goals, so Talbot takes an advantage into the game up forward.

Talbot has had ninety-five goals scored against while Navarre's back half has allowed one hundred and thirty-six goals through so the defensive figures favour Talbot as well.

The figures only mean something depending on injuries and availability and Navarre has been affected by several their players working in the mines, and if they have a full quota of players and playing at home could have a big bearing on the match.

Although two of Talbot's victories over the Grasshoppers have been at Navarre so they will have no fear of the away venue.

The break for the covid lockdown will allow both teams to enter the game fully fit and rested and they will both be looking forward to getting back on the park.

Talbot are higher up the ladder and will be favoured to win their third ever game against the Grasshoppers on Saturday.

Dunolly v Maldon

It has been a very tough season for the winless Eagles, and it doesn't look likely to improve in a hurry when they host Maldon at Deledio Park on Saturday.

The Eagles sit at the bottom of the ladder while Maldon sit comfortably in fourth place after a massive seventy-five-point victory over fifth place Lexton in their last encounter.

The Bombers are also unveiling recruit and former Bomber Julian Lockwood who returns to Maldon this season after time away in the Northern Territory, where he played top level football with Nightcliff and the Northern Territory Thunder.

Lockwood is a one-hundred and ninety-eight centimetre forward-ruck and will certainly create turmoil for the Eagles defence on Saturday when they now must worry about a two-pronged forward line of Rhys Ford and Lockwood.

Tyson Cope has been leading the way in the Ruck for Dunolly and will also have a challenge against the height and leap of Lockwood, but will no doubt give his all as he tends to thrive on the challenge put before him.

The Eagles have not fared well against teams in the top four this season and their highest score against the top teams was 4.6.(30) against Harcourt, but the Lions kicked forty goals in that game.

It is quite possible that Maldon could be kicking a big percentage booster on Saturday as they look to finish off the remaining home and away season games strongly.

ROUND 12 PREVIEWS

Senior Football

Harcourt v Avoca

Harcourt has moved into top spot on the ladder after a big victory over Avoca on Saturday.

The Bulldogs gave a reasonable account of themselves in the first half, but Harcourt put the foot down after half time and held Avoca scoreless for the remainder of the game and kicking ten goals themselves to have a comfortable 103-point victory.

18.17.(125) to 3.4.(22)

The Bulldogs were without their most experienced players in Henningsen and Lewicki and played several junior developing players who were overawed by the big, bodied Harcourt team.

Benny Leech kicked five goals for the Lions and was too good for several Bulldogs players that played on him throughout the game.

Brayden Frost once again performed admirably for the Lions in the Ruck role, while Cameron Anderson, Sean Moss and Paul Chaplin also figured amongst the better players for the home team.

The consistent Jason Hunt again led the way for Avoca, while Jack Duke, Simon Elliott and Daniel Howell also played well for the Bulldogs.

Harcourt now face Trentham next week in the battle of the undefeated teams, while Avoca needs to regroup as they face Maldon at the Avoca Public Park.

Navarre v Talbot

The battle between Navarre and Talbot was expected to be game of the round on Saturday and it didn't disappoint as a close and hard-fought contest resulted in Navarre getting the points by 20 points at the final siren. 11.9.(75 to 8.7.(55)

Navarre kicked the opening goal of the game just three minutes in when Riley Bibby kicked truly for a set shot. Talbot then started to run and carry the ball and break the lines to kick the next four goals in succession with 2 goals to Matthew Bond including an excellent shot from tight on the boundary and the Hawks led at quarter time by 18 points.

Rain started to settle in at quarter time and it seemed to have a negative effect on the Hawks unit, but the Grasshoppers relished in the slippery conditions kicking five goals from nine shots while holding Talbot scoreless for the term.

Snap shots to Riley Bibby and Dallas Flanagan late in the term put the Grasshoppers 16 points ahead at half time.

The rain stopped after the main break and Flanagan goaled early in the third term, but Jayson Gilbert answered shortly after as the sleek footed small man lifted the Hawks and three consecutive goals to the visitors had them just 14 points in arrears at the final change, and full of confidence as they had the upper hand over the Grasshoppers.

But it was not to be for the Hawks as Rhett Murphy goaled early in the final quarter for Navarre which was the only goal scored in the final quarter as Navarre withstood any challenges that the Hawks put forward.

Bill Parry was outstanding for the home team, as was Josh and Jayden Fowkes, with support from Rhett Murphy, Wil Clough and Aiden Lee while Riley Bibby finished as the key goal kicker with 3 majors for the game.

Nathan Bond, Ryan Aquilina and Sam Hitchings gave their all for the Hawks as did Damien Kennedy and Jayson Gilbert kicking two goals as did Matthew Bond.

Dunolly v Maldon

The Eagles suffered one of their worst losses for the season on Saturday when the Maldon Bombers handed them a 223-point loss. 34.27.(231) to 1.2.(8)

The Bombers averaged 15 shots on goal a quarter for the game resulting in 12 goals for Rhys Ford to take him to 74 goals for the season and be just behind the leading goal kicker Anthony Zelencich on 78 goals.

Tommy Horne has been a great pick up for the Bombers this season with the midfielder returning to his home club and he also kicked ten goals in a dominant display by one of the most consistent players in the League.

Tom Cain is another that has returned to the Bombers and is leading by example as he sets up many plays out of the middle and Julian Lockwood also performed admirably on his return game, as the Bombers have set themselves up as a Grand Final contender as the home and away season draws to a close in the next fortnight.

The Bombers wee never challenged with the ball continually in their forward line as the Eagles only managed three shots on goal for the game with Corey bray the only Eagle player to goal.

Joe Thompson, Bray and Tyson Cope were players that never gave up in the massive defeat, with Dylan Brae and Dylan Lee also trying hard in difficult circumstances, but the Eagles were no match for the Bombers.

Tom Cain, Julian Lockwood, Brendan Josey, and Tommy Horne were the key players for Maldon as they set their sights on Avoca and Nate-Bealiba in the next fortnight.

Navarre v Dunolly

Navarre will make the most of its last two games of the season, up against the bottom sides in the competition starting this weekend against Dunolly.

The Grasshoppers pulled off an impressive win to restart the season on Saturday, defeating Talbot by 20 points.

It was Navarre's first home game in almost three months given how the lockdowns have shuffled their fixture and it obviously had the side excited, thwarting off a last-minute lunge for glory from the visiting Hawks.

Navarre is not yet out of the running for the newly formed top-six finals; however, it will largely depend on the teams above it on the ladder.

The Hoppers are currently ranked ninth, on the same number of wins and losses as the eighth ranked Talbot and seventh ranked Avoca and just one win off Natte Bealiba in sixth.

Given Navarre faces Dunolly and Maryborough Rovers are likely to win both rounds comfortably, if Talbot, Avoca and Natte each lose at least one round, the Hoppers could still rise up in time.

This weekend at Deledio Reserve against Dunolly will be Navarre's chance for its highest scoring win of the season.

The Eagles will be no stranger to the fact that they are a soft target for many of the league's clubs given they are yet to win a game this season and are unlikely to change that fact against the Hoppers.

A massive goal for the Eagles this weekend will be to get on the board with a score, regardless of what is kicked against them.

This is something the side has achieved in every game, with at least a goal posted on all occasions, even against the reigning premier, a statistic that not every team in the competition can lay claim to with several kept scoreless in various matches across the season.

Navarre is expected to grab a big win, but the Eagles will be looking to compete in their second last game of the 2021 season.

Lexton v Carisbrook

There are a few big games to be played this weekend and a fifth versus third clash between Lexton and Carisbrook is one of them.

While the Tigers got back out onto the park against Newstead on Saturday, winning by 59 points, Carisbrook has been a little bit more patient than most for its return, dealt the bye off the back of the back-to-back lockdown breaks.

When the Redbacks take to the field it will be their first game in more than 40 days and given their last result was a crushing blow, an eight-point loss to Harcourt, they will be itching to get back and go for glory.

The loss was just the second of the season for Carisbrook and unlucky for Lexton, probably means the side will be at their top of their game this weekend to get the points.

The Tigers have undefeated Trentham up next round and will need the win even more so than the Redbacks this Saturday to maintain finals contention with Natte hot on their heels in sixth place and with a predicted win over Newstead up this round.

Lexton has been well served by a key group of players, namely Patrick McGuigan, Justin Hobson, Lachlan Rokebrand, Mitch Humphries, Lochlan Pett and Zac and Jordan Egan this season, all of whom know exactly who they'll need to stop this weekend to keep the Redbacks at bay.

Anthony Zelecich will be a key focus for the Lexton backline, with the league leading

goal kicker averaging more than seven goals a game this season, kicking multiples in both of Brook's losses and claiming votes in all bar one game this season.

In some of Brook's tougher clashes the likes of Harry Butler, Jacob Dyer, Adam Hurse, Lachlan Edwards, Addison Milner and Michael Zelencich have rose to the occasion and will be key inclusions on the roster at Lexton.

A win for Carisbrook will see it unmoved on the ladder, two wins off the pace of the top two, however for Lexton it could mean a move up into the top four which would equate to a fairer finals draw.

Natte Bealiba v Newstead

Natte Bealiba is officially in the running for finals and a premiership defence after a thumping win on Saturday and to back that up this round over Newstead is crucial for the side's future.

The Swans rocketed back into finals contention, despite finals being reduced from a top eight to a top six over the break, with a 193-point schooling of Rovers at the weekend in the first game back since this change was made.

The side now sits in sixth place on the ladder and will have to knock off Newstead this weekend to keep this placing safe with Avoca, Talbot and Navarre all looming just one good win away from snatching it.

A win this weekend for Natte is made even more crucial given fourth-placed Maldon awaits in the closing round.

Newstead is ranked 10th and heads into the game, it's very last of the season as it has been dealt the bye for round 13, pretty bruised and battered after a 59-point loss to Lexton.

This result is a good sign for the Swans who knocked off the same Tigers team in late June by 66 points.

The Steaders will look to vote magnets Jedd Pedretti, Mitch Stevens, Joel Smith and Oscar Lynzaat to keep pace with the reigning premiers, with Brad Richardson and Smith hoping to up their goal tallies before the final siren.

Natte will show off its shiny new forward recruit Jayden Templeton, who still leads his former club's goal kicking after playing just six games in the Bendigo league before heading out to the pond over the break.

Templeton made his Swan debut with a bag of 10 on Saturday and he will be a key target for Kangaroo defenders alongside Trent Mortlock (27 goals), Mitch Olafsen (20) and Zeik Johnston (17).

Natte will be out for a big win this weekend however with nothing to lose in their last game of the season, the Kangaroos will leave everything out on the park.

NETBALL REPORT

Katrina Turner MCDFNL Netball President

As we near the end of the home and away season I would like to congratulate all players, coaches, umpires, club committees, spectators and families on a year that we didn't know if would get to see the whole season through.

During the last two weeks can clubs please start marking their captains on the scoresheet. This will prepare clubs heading into finals where the league will request captains to be named to assist umpires. As we know only captains are to approach umpires during a game. We do allow a parent or coach to assist 11s and 13s captains to approach the umpires.

Best of Luck to everyone this weekend.

Happy Netballing.

The senior football boys had a disappointing day last week. After a competitive first half the Lions showed us how to play footy in the second half and ran out comfortable winners.

The Ressies and 17's also both went down, but the 17's staged a last-minute fightback, but just failed to get the points, while our 14's and 11's both had good wins.

The netball girls all had very good wins over good opposition which augers well as we lead into the finals, and we hope to continue the good form at the most important time of the season.

Covid lockdowns have been a devastating time for our club members on a social basis but has also affected our club financially. We have lost two home games this season which has been a significant downfall financially.

Gate, Bar, Canteen, Raffle income from home games is income that we rely heavily on to operate our club and it is devastating that we have lost that income.

To try to eradicate some of the shortfall, we ask our supporter base to please purchase some raffle tickets through the Good for Footy/ Netball Raffle on the website and social media outlets. You will have three chances to win a car when purchasing tickets, plus the club is also providing prizes that have been donated

NEWSTEAD

Club Notes

Newstead were happy to return to play last weekend despite not being able to have spectators to support. Newstead played Lexton away and achieved some excellent wins, especially in the netball. It's going to be a tough day at Natte, with this being our last round before finals. We hope to secure some wins across the teams and celebrate a volatile season on a high.

Newstead FNC are also running a Last Man Standing raffle, with a prize of $1000! Please see the club if you'd like to purchase a raffle ticket! The raffle will be drawn next Sunday 29th August at the clubrooms.

Newstead are also seeking expressions of interest for a new player/coach for the seniors and reserves next season. If you are committed, driven and love club football then please send your interest to Mark Leckey: mark.leckey@outlook.com.

Let's go Stead! Looking forward to finals and the 2022 season!

Club Notes

After a few weeks off last week saw us get back on the winners board which was great to see. This week will be a tough one as we take on Carisbrook. Once again we will have to be without the Melbourne based players and staff who are all looking forward in getting back out to the action for now though they are watching from afar but our thoughts are with these guys and hope for a quick exit in 2 week's time.

Club Notes

Wow! It's been six weeks since our senior footballers and netballers have had a competitive match!

While most clubs got back last weekend, we had the bye.

Our junior teams were able to play the weekend before.

COVID-19 cancellations and postponements have played havoc with fixtures around the state and our league has been no different.

Hopefully this week's game against Lexton goes ahead.

Running a club during these times is challenging and thanks go out to the league, our clubs and officials, players, supporters, community and sponsors for sticking with the process.

Lexton is always a good clash and I am sure both football and netball squads will relish the chance to brush off the cobwebs and get out and play.

Remember today that there are crowd restrictions for both seniors and juniors with players only permitted for senior games and a parent for juniors.

As at Tuesday, the Carisbrook Mercury will be allowed to attend to take photos and report on all games so that those that can;t attend won't totally miss out.

Back on the oval after the extended covid break hosting at the den avoca. U11.5's up against undefeated opposition always a tough ask. coaches and parents proud of 4 qtr effort despit going down. award winners sam mccallum and levi dunlop. U 14.5's still in with a chance of finals fought out a great contest with a few late missed chances leading to the narrow defeat. award winners luey mccallum and ryder bennetts.

Reserves continued their dominant year with a big win not missing much momentum despite the long break. 6 goals jimmy gale, 5 to gibbo. best in a good team effort hard nuts lenny mcnamara and mearzy.

Senior footy understandably took a while to settle into "harcourt footy" after the break. Cam (no name) had a stand out game, joined by Frosty and Mossy among the best.

Club Notes

Another week closer to the season coming to an end for our club as we battle covid and on Saturday with no crowd it just left an eerie feeling around the place with no banter and barracking going on. We do what we have to but clubs will feel the pain down the track both on and off the field.

We thank Natte for their support up at netball (entry fee) and at the footy in attributing to some financial support that would have been a bleak day otherwise for our club.

It was Brad Fraser's 350 senior games and not playing in front of a crowd was disappointing and not finishing on the right side of the ledger as well didn't help. Natte jumped the boys in the 1st quarter with a 10 goal burst and they never looked back after that but the team battled it out right to the end. Best players were Alec M, Jack D, Muzza, Pezza & Hedge

The A grade served it up to Natte with a spirited display early on and were in touch up to ¾ time but couldn't bridge the gap at the end. Best Julie Anderson & Jacqui Christie.

The reserves were right in the game up until ¾ time and ran out of a little puff in the last as Natte got away to win the game. Best Ben Makepeace, J.McQuennie, Jake Meyer & A.Dempster.

The B.Grade girls were out gunned by Natte who had control from the 1st pass and did not allow our girls make any inroads at any stage. Best Laura Budd & Shayla Treacy.

The C Grade side came out firing on all jets as they applied pressure across all parts of the court on Natte to take out the victory. Best Megan Gray & Macey Parry.

The U.17's didn't respond early as Natte got the jump on them and retained the lead from then on as our girls made a bit of a late charge at the end. Best Mia Hayes & Laura Budd.

The U.15's looked very flat and played that way as Natte built up a big lead to leave our girls lamenting at the finish. Best Maddison Smith & Talia Sinclair.

The U.13's recorded another good win as they overcome Natte at the end. Their play in the 2nd half of the year has been outstanding as they look to finish the year. Best Laylah Smith & Jorgia Brown.

The U.14.5 had another good win as they outlasted the Natte team with everyone having a red hot go from the start. Best I. Chamberlain, L Cunningham, C James & C Metters.

The U.11.5 keep turning up every week with a smile on their faces ready for the battle but again found Natte to strong across the ground. Best D King, Z Booth, R Murray & K Hudson.

Today we play Talbot at the park and should see some interesting games played and tonight it's back to the rooms for the $1000.00 draw at 6.30pm covid permitting.

Club Notes

It was not the result we were looking for in the senior football last week against Navarre, but we had some terrific wins in other grades as well as in the junior netball.

While the 11's did not take a win in netball, the 13's and 15's did (10 – 19; 15 – 38) and the 17's drew (20 – 20). Best players were – 11's: Louella Roche and Reese Thatcher, 13's: Ava Steen, Sari Hyde and Renae Neilson, 15's: Lexie Steen and Layla Clayton, 17's: Ashley Patten and Olivia Neilson. The senior grades could not come up with a win but best players were – C Grade: Jess Johnson and Tania Heriot, B Grade: Rebekah Noske and Emily McLure, A Grade: Dominique Roche and Casey Rae.

In the junior football, whilst the 11.5's and 14.5's did not win their matches, the 17.5's (0 - 184) had an extraordinary win! Best on field were – 11.5's: Brody Charlesworth, Harvey Gunther, Lachlan Geyer, Reef McFadyen, M. Griffiths and Dyson Griffiths, 14.5's: Logan James, Zander Dell, Bailey Clayton, D. Letts and Seth Kilcullen, 17.5's: Marshall Murray, Jude McGuire, Jessie Hardiman, Noah Davies, Z. Douglas and Jack Dawson.

The reserves had a terrific win against the Hoppers (12 – 191) with best on field being Andrew Baker, Andrew Manson, Matthew York, Judd Troon, Jordi Bux and Kelly Burnside. The seniors did not manage a win but there were great plays by Nathan Bond, Ryan Aquilina, Sam Hitchings, Damien Kennedy, Matthew Bond and Jayson Gilbert.

We now have our social calendar sorted whereby we are combining events missed due to lockdowns with future planned events so we are celebrating our junior and senior presentation nights with the annual 'Black and Gold' ball on Saturday 2nd October from 5pm at the Maryborough Highland Society (please see Kendall for tickets) and the Family Fun Day featuring cow pad lotto will now be held on Sunday 28th November from 11am at the club.

Club Notes

What a fantastic weekend had by everyone.

Being back out on the courts and fields was such a great thing to see.

We started our day off with a bit of fog hanging around but that did not stop our junior eagles from giving their all.

Our 11's and 13's continued to give their all to hold on to finals spots.

Was fantastic to see everyone on the courts and despite the tough situation with no crowds to cheer them on all played amazing games.

Football was so great to be out on the field and bussing round the club again.

While none of our teams got a win and with tough circumstance including a very long break and player unavailability our teams gave their all to give what they could.

Well done to all our teams who despite the big break in games have shown their strength and dedication to their club yet again.

Thank you also to our amazing volunteers who went above and beyond under tough conditions to help our committee run the day.

Bring on Navarre at home again this weekend
