MCDFNL Season 2021 Announcement

It is with disappointment that the MCDFNL has to announce that the 2021 season will cease with no finals able to be played due to the ongoing restrictions which are not allowing a return to matches and no prospect of this occurring before the window available for the season concluding.

The MCDFNL executive would like to thank all clubs, volunteers and stakeholders of the league for your patience, understanding and commitment to the 2021 MCDFNL season.

All clubs which finished on the top of the ladder in their grade will be recorded within league records as minor premiers for 2021.
