

MARYBOROUGH CASTLEMAINE DISTRICT FNL

Governance Portfolio

- The Governance portfolio ensures the league operates under a strong legal and ethical framework.

Key Duties include:

- **Policy & Procedure Development:** Creating and reviewing policies and procedures that guide the league's operations, ensuring compliance with legal standards and best practices.
- **Risk Management:** Identifying potential risks to the league and developing strategies to mitigate these risks, ensuring the league operates safely and within legal constraints.
- **Legal Compliance:** Ensuring the league meets all legal requirements, including adherence to competition rules, child safety standards, and employment laws.
- **Board Effectiveness:** Supporting board members in understanding their roles and responsibilities and ensuring that governance practices are aligned with the league's strategic objectives.
