A sports trainer or first aid provider involved with a Club should have a clear understanding of the role and importance of injury prevention and immediate emergency and injury management in Australian Football. Each Club must ensure that at each match or training session:

The MCDFNL has aligned in 2024 with AFL Victoria policy 16. Injury Management – AFL National Community Football Policy Handbook which describes trainers' requirements as below and in which the League will now recognise qualified medical practitioners as trainers.

OPEN AGE, UNDER 17.5 - Must have one trainer who is an accredited Level 1 Sports trainer or Qualified Medical Practitioner. This trainer must not be a player or coach of the grade they are officiating as head trainer.

Failure to adhere to such requirements shall see offending Clubs incur such penalty as deemed appropriate by the MCDFNL Board.

If natural light is deteriorating during a game, Clubs or umpires shall have the authority to turn on ground or court lighting to improve conditions to allow a fixture to continue. The Umpire shall however have the authority to call a game off if they consider the conditions unsafe. Prior to a venue being considered suitable for night games, Clubs must apply to the League for permission to host a night game, and meet criteria as determined by the League.

**31. CHILD SAFE STANDARDS**

All persons working with juniors up to the age of 18 years including coaches, officials, umpires, trainers and volunteers must obtain a Working With Children's Check (WWCC). Clubs must maintain records of WWCC of their members on a yearly basis in accordance with the Child Safe Standards.

### 34. MCDFNL FOOTBALL COMPETITION HIERARCHY

1. Senior Football
2. Reserves Football
3. Under 18 Football
4. Under 15 Football
5. Under 12 Football

When reading the Finals Eligibility by-laws, the above hierarchy of competitions, with Senior Football at the top and U/12 Football at the bottom should be taken into consideration when trying to figure out where a player can compete during the finals.

When players qualify to compete in finals, they are eligible for that competition and any competition that sits above them on the hierarchy (e.g., If a player qualifies in the U/18, that player qualifies for finals in competitions 3 up to 1, but not competitions 4 down to 5).

### 35. PLAYER ELIGIBILITY

36.1 Junior players (U/12, U/15, U/18) must have played their minimum three (3) games in the lowest grade they qualify for but can also play in any higher competition within the hierarchy. (For Example, If a player plays 3 games

in U/15s they are also eligible for U/18s but not U/12s). This rule only applies if Clubs are affiliated with the applicable grade.

**Under-age exemptions** – All junior players that play in a grade above their age must complete an under-age exemption form.

**Over-age exemptions** – Clubs may apply for an over-age exemption for players using the [correct application form](#) and must meet the criteria for consideration. The Football Sub-Committee shall consider all applications according to the rules and their decision shall be final.

Any junior player with an over-age exemption will be monitored for a minimum of 5 weeks. The exemption may be revoked if the player is determined to not meet the requirements granted in the application.

If, after Round 5, the exempted players' Club feels that the exempted player has progressed further they are to contact the MCDFNL Competition Coordinator to come and observe again and ask for the exemption to be revoked.

If the exempted player plays up a grade, the exemption is automatically revoked.

Clubs may only ask for a player exemption once (i.e., if an exemption has been approved once, the Club may not request an exemption again for the same player the following season).

36.2 Any player eligible to play in the Senior Grade Final Series must have played in at least three (3) Home & Away games with his Club during the current season on different days. Such three games may have been in either Seniors or Reserves or both.

36.3 Any player eligible to play in the Reserve Grade Finals Series must have played in at least three Home & Away games with the Reserves. If a player has played 10 or more games for their clubs Senior team in the current home and away season they cannot play in the reserves final series.

36.4 Rule (36.3) does not apply in the event of a Club's Senior and Reserve Grade Teams both playing on the same weekend provided they meet the minimum 3 club games. This exemption applies for that day only.

36.5.1 If a player is playing on a permit, they must have played at least six (6) of the home and away season matches for the grade they wish to participate in.

36.5.2 All Club registered players who are qualified to play finals, either in their registered age group or who are registered in a lower age group and who have played 6 or more games in the higher age group, must be selected before permit players can receive endorsement to play.

**PENALTY:** Any breach will incur a loss of four premiership points and/or other sanctions imposed by the MCDFNL Board.

### 36. FINALS REPLACEMENTS

Where a Club is involved in finals matches on a Saturday or Sunday of the same weekend in more than one grade, the following eligibility of player's requirements shall apply:

A player who has participated for the Senior side on the Saturday shall not be eligible to play with the Reserve side on Sunday.

A player being in the 22 for the Reserves on Saturday will, save as provided below, be ineligible to play with the Seniors on the Sunday, however a Senior team playing on Sunday will be permitted, where a replacement player is required due to a late withdrawal of a selected senior player, to draw a replacement from the Reserves team that has played on the Saturday. For all underage teams the above rule will apply to the Interchange between grades from Saturday to Sunday.

**PENALTY:** Any breach will incur a loss of four premiership points and/or other sanctions imposed by the MCDFNL Board.

### 37. FINALS SUSPENSION

A suspended player serves their suspension in the grade they were suspended from. Other games do not count toward their suspension. Example: If a player is suspended for 3 matches in seniors they are suspended for three senior matches and therefore unable to participate in any match till three senior matches have passed.

### 38. FINALS CLUBROOM & COACHES BOX ALLOCATION

The MCDFNL will be responsible for the allocation of change rooms & coaches boxes. The highest-placed side will be given the home clubrooms while the other competing side will use the visitors rooms. The MCDFNL will make all room allocations, but special consideration will be given if a side has more than one (1) team competing.

The Club in the homerooms must use the home coaches' box unless the MCDFNL has given specific approval to determine otherwise.

#### CLUBS TO SUPPLY:

During the final series, the competing Clubs must supply the following:

- Nominated team manager that the league ground manager can get best players and goal kickers from (all Clubs must supply)
- Trainers, Runner, Water boys
- Stretchers
- And, where required, a scoreboard attendant

MCDFNL TO SUPPLY:

During the final series, the MCDFNL will supply the following:

- Scorecards
- Ground Manager
- Club room allocations (The MCDFNL will nominate rooms that Clubs will be in for the weekend's matches and send them out on Monday. No changing of rooms is allowed).
- Football Records
- Gate Keepers
- Report Book
- Ground Inspection – MCDFNL will complete Match Day Checklist
- Footballs and pump
- Umpires (Central, Boundary & Goal)

The MCDFNL requires that all clubs participating in the final series be responsible for cleaning the change room they use after they have finished playing.

For example, the U/18 team will clean up after their game, followed by Reserves after their game, and likewise by the Senior Club after their game - so the rooms will be cleaned three times during the day.

The MCDFNL Ground Manager will inspect the rooms after every finals game, and if they aren't cleaned satisfactorily, the Club may be fined.

**39. FINALS UNIFORMS**

During Finals, only after a Club has approached their opponent and received that Club's approval can a request for a change of shorts colour be approved by the MCDFNL Board.

#### 40. DRAWN GAMES IN FINALS SERIES – FOOTBALL

If a **finals match (including Grand Final)** is drawn, the following shall occur:

- Teams will **change ends** after a **3-minute break**.
- Two **5-minute halves** will be played (**time-on applies in Senior Football only**).
- There will be **no break between halves**.  
If scores remain level after extra time, play continues **until the first score is registered. UMPIRES**

##### 41.1. General

The Ballarat Football Umpires Association (BFUA) will supply central umpires for use in all senior games of the league, and a “Memorandum of Understanding” shall be negotiated with the BFUA to that respect on an annual basis.

For the Grand Final, the BFUA shall supply central and boundary umpires in all grades, and for other finals matches the BFUA will supply central umpires (only) for all games unless otherwise advised.

##### 41.2. Club umpires

All Clubs will be required to provide Boundary and Goal Umpires in Senior games, and a central, boundary and goal Umpire in all other grades.

Club central umpires shall have all other such powers and privileges as may be accorded the BFUA umpire, including the right to report and/or send off players. Club boundary or Goal Umpires also have the authority to report players.

##### 41.3. Club boundary and club goal umpires

The umpires carrying out these duties shall be in all cases of such standard as to not affect the proper running or conduct of the game.

Each Club shall supply a set of white flags for their goal umpire in each game, who shall meet in the centre of the playing arena at the end of each quarter and check that the scorecards agree with one another and that the correct score is displayed on the scoreboard.

The goal umpires are responsible for the correction of the scoreboard, should it be incorrect.

**41.5. Age limits – club boundary and goal umpires**

Club boundary and goal umpires shall be of sufficient age and maturity to adequately perform the duties required.

**41.6. Club not supplying**

A Club not supplying an umpire for a game shall be responsible for the remuneration of a second umpire supplied by the opposing Club.

Should a Club not supply umpires for each match during the day, they may incur a fine or other penalty as seen fit by the League.

**41.7. Inappropriate umpires**

Clubs who supply umpires who by way of age or other constraint are found to be unsatisfactory may incur a sanction or penalty as deemed appropriate by the League.

**41.8. Club umpire attire**

The League requires Club Umpires to be dressed in the manner necessary when officiating in MCDFNL games. Club Umpires will be attired as follows:

- CENTRAL: MCDFNL Umpire top & white shorts, dark socks
- BOUNDARY: MCDFNL Umpire top, club shorts and club socks
- GOAL: White coat with white flags

#### 41.9. Club umpire reporting powers

Under AFL Victoria Country Rules and League by Laws any person who takes the field and acts as an Umpire (whether a BFUA official or a Club volunteer) does have the full powers of an “officially accredited” umpire, and therefore can report or send off players.

Volunteer Club umpires who lodge a report are also represented by the BFUA advocate at any subsequent tribunal hearings.

It is further worth noting the following rules from the AFL Victoria Country Rules Handbook to clear up any confusion. In the AFL Victoria Country Rule Book the definition of an umpire includes all the field, boundary and goal umpires officiating or at a match.

Therefore, once we establish that any Volunteer Club umpires are “official umpires” they have an obligation to report as part of their duties as an umpire.

Note: Further to this it is worth noting that the official BFUA Umpires Observer at any League does also have the power to report players/officials and due process will be followed under AFL Victoria Country Rules.

#### 41.10 Umpire registration

It is compulsory for Club Umpires to be registered with OfficialsHQ for insurance purposes and to meet the legislative requirements for Child Safety and the Child Safe Standards.

The Schedule for all finals matches will be advised by the MCDFNL after the completion of the final round of Home & Away matches.

**42.1 Time on for Senior games**

Time On for Senior matches will apply follow AFL Victoria Country Rules, and Timekeepers shall stop the clock only when:

1. Directed to do so by a Field Umpires (AFL Laws of Game 10.5.3)
2. The goal umpire signals that a goal has been scored.
3. The goal umpire signals that a behind has been scored.

Note: The clock DOES NOT stop when the ball is out of bounds or out on the full.

**42.2 Team numbers - Number of players**

Failing to achieve this minimum number by playing start time shall result in a forfeit.

NOTE: The principle is to have players playing, and the MCDFNL encourages Clubs to always maintain this as the highest priority in any decision-making.

**42. INTERCHANGE AGREEMENTS**

On an annual basis, all Leagues affiliated with AFL Goldfields Region and AFL Central Victoria shall enter into an Area Agreement to allow those Clubs with Junior teams in those competitions to interchange players to assist with player numbers. Clubs must be aware of the terms and conditions associated with the agreement and must have the appropriate approvals in place before allowing any player to take the field on an interchange/area agreement. The MCDNFL will also enter into Interchange Agreements with other Leagues as required.

**43. USE OF TWO FOOTBALLS**

In the event of extreme weather conditions, two footballs may be used in a match, with the change of footballs occurring at each quarter-time break to ensure no advantage is gained by either Club. Both Clubs must agree to the use of two footballs. If no agreement is reached, only one football may be used.

**45. PLAYING NUMBERS\* – JUNIORS (All grades)**

Where both competing teams have more than 16 players, the following applies:

- Where both teams have less than 16 players, a team shall consist of equal players on the field of play and the balance as interchange players.
- Where both competing teams have 18 or more players, a team shall consist of 18 players on the playing field with unlimited interchange players.

Where teams have less than 16 players, then the following shall apply:

- If one side fails to field the required players (8 players for Under 12 and U/15 and 12 players for U/18) or falls below the minimum number of players during the course of the game (e.g., through injury or send off), the points are automatically forfeited to the other team.

**46.1 Lending players**

It is encouraged that the opposing team 'lend" players to that team so that a match (not subject to points) can be played.

If both teams have less than 8 players, then the game cannot commence, however, if agreed between the coaches, then the game can be played on a smaller oval – however this game will not count for premiership points.

If one team has less than 16 players, but more than 8, then pursuant to By-Law 51.3 the opposing coach must equalize by "lending" players to the opposing team. If the opposing coach refuses to equalize accordingly, this must be reported to the League.

A game is to proceed even if points are forfeited, and players are expected to be loaned in any game to make numbers up to an even fourteen or as close to as possible.

Loaned players must be listed on the opposition team sheet, with a note that they are from the opposing Club and will be eligible for any fairest and best votes cast by the umpires and any goals kicked.

These votes and/or goals will be credited as if the players were playing for their own Club.

The team that has requested and/or received loaned players must provide playing jumpers in their team colours for the loaned players to wear.

Where Clubs are reliant on players covered under an Area or Interchange Agreement (e.g., MCDFNL / BFNL Area Agreement) to field a team and who are not present for the start of a match then the game will commence with equal numbers on the playing field.

When such players arrive at the venue, they shall report to their Coach's Box ready to take the field. Each team can then always increase their numbers accordingly but equal numbers on the field shall apply.

**46. PLAYING NUMBERS\* – RESERVES**

Where both competing teams have more than 16 players the following applies:

1. Where both teams have less than 20 players, a team shall consist of 16 players on the field of play and the balance as Interchange players.
2. Where both competing teams have 20 or more players, a team shall consist of 18 players on the playing field with a maximum of 4 Interchange players.
3. Where one competing team has less than 16 players the teams shall play with equal numbers on the playing field.
4. The team with 16 or more players can have up to but not exceeding 6 Interchange players.

**47. MINIMUM NUMBERS**

If any side fails to achieve the minimum number of players to constitute a game in the table above prior to the start of play. This will result in a forfeited match. NOTE: Again, it is pointed out that the principle is to have players playing, and the MCDFNL encourages clubs to always maintain this as the highest priority in any decision-making.

**48. GENERAL UMPIRING**

**Order off rule**

The MCDFNL has adopted the AFL VICTORIA COUNTRY Rule 11.0 'Order Off Rule' as set out in the AFL VICTORIA COUNTRY Handbook.

The central Umpire may warn any players or officials if behaviour is deemed to be inappropriate. Any player who is heard swearing by the Umpire shall, at the Umpire's discretion, be sent from the field for 5 minutes without a replacement.

A free kick and distance penalty (15 metres) shall be awarded to the opposing team. Any player who uses abusive or insulting language towards an umpire, official or another player shall be sent from the ground for the remainder of that quarter and the next quarter and cannot be replaced during that time.

Any second offence by a player will result in the removal of such player from the ground for the remainder of the game, and such player cannot be replaced. Clubs will provide all required Umpires unless otherwise advised. Central umpires are to ensure that players do not leave the field at the half-time break.

**49. UNDER 12 UMPIRING RULES**

**Out of bounds from a kick**

A free kick shall be awarded against the player who last kicked the ball. If there is doubt, then the Umpire shall call a ball up five (5) metres in from the boundary.

**Out of bounds from hands or body**

The Umpire shall call a ball up five (5) metres in from the boundary.

**50. OFFICIALS BEHAVIOUR**

Any official who uses abusive or insulting language towards an umpire, another official or player shall be sent from the ground for the remainder of that quarter and the next quarter, however, such official can be replaced.

Any second offence by an official will result in the removal of such an official from the ground for the remainder of the game. Again, such an official can be replaced.

**51. MERCY RULE**

In U12 games, an automatic mercy rule shall be implemented when either side reaches a margin of ten (10) goals (60 points) in front. At this point, the Scores will cease to be updated on the Scoreboard and the Goal Umpires & Timekeepers will cease to record any further scores and the score upon the mercy rule being implemented will be the final and official score for the game.

In *mercy time*, it is expected that in the fair spirit of the game, Coaches will allow less skilled players to play in key roles or in circumstances where players are loaned, allow better players to be loaned.

Any player doubling up into Under 14.5 or Under 17.5 football has the option of being rested at this point.

**52. HEAD GUARDS AND HELMETS**

Head guards and helmets are not mandatory and will be up to each club's discretion to enforce/implement.

**53. DELAYED GAMES**

Should the Reserves game be delayed (for any reason), the timekeepers are to establish the time remaining at half time to allow for a 2.20pm finish and to calculate two (2) even quarters (3rd and 4th quarter) and so alter the length of these quarters to ensure a 2.25pm finish.

In the event of a Senior Club not being ready by 2.35pm, a fine of \$20 per minute, or part thereof shall apply until the team arrives on the playing surface ready to play.

Should a Club not be on Ground ready to commence play by 2.55pm it shall forfeit the match and incur any such penalty as so determined by the Board of the MCDFNL.

**54. BREACH OF ON-FIELD PLAYER NUMBERS**

Any side that is found to have breached the pre-determined number of players allowed on the field during play will have the following sanctions imposed:

- All points scored in the quarter that the breach occurred will be forfeited.
- In addition, offending clubs may be issued a fine at the MCDFNL Board's discretion.

**55. TIMEKEEPERS**

All Clubs shall supply a timekeeper with all required equipment and documentation for each game. The home Club will be responsible for the provision and location of an audible signalling device and backup for the use of Timekeepers.

Timekeepers at all matches shall be required to keep the scores. The Goal Umpires scorecards are to be used on the day, but in case of a dispute, the timekeeper's scores will be forwarded as evidence to the League.

**56. PLAYER AND OFFICIAL ATTIRE & GUIDELINES**

**Bike shorts**

Bike shorts (or lycra shorts or similar) under a player's Football shorts may be worn provided they are skin toned or the same colour as the Club shorts.

## McDonald's MCDFNL Operations Manual & By-Laws

Full-leg length versions of the above may be worn for junior grades only.

### **Colour of socks**

Must be the Club colours.

### **Water carriers**

Club Water Carriers shall wear blue water carriers' shirts as provided by MCDFNL and Club shorts. Clubs can use up to four (4) Water Carriers in any given game.

Water Carriers can be spread around the ground but must be positioned against the fence and not on the boundary line when at rest. The MCDFNL understand that players do require fluids when playing, however water carriers are not permitted to remain on the oval, or to attempt to instruct players in any way, once having delivered the drink they must remove themselves from the playing surface as quickly as possible.

### **Runners**

Club Runners shall wear pink runners' shirts as provided by the MCDFNL and Club shorts. Clubs using two runners must enter and exit through the interchange gates. Teams are allowed two (2) runners per team. Runners must wear the official MCDFNL uniform. Runners must not assist/coach but relay messages only – and must leave the ground immediately after relaying the message.

Only ONE (1) Runner is allowed on the playing field at one time during the game and enter/exit the playing field through the interchange gate.

### **Mentors**

Mentors are permitted in U/12 matches. Only 1 (one) mentor is permitted on the ground at any time per Club. Club mentors can be the coach of the side. Mentors are not allowed to carry a coach's board on the field whilst the match is being played. Club mentors are only permitted on the ground to talk to players

who are not in the direct play. At no stage should a mentor be anywhere near the ball. Mentors are to deliver their message to the player and return to the coaches' box straight away. The difference between a mentor and a runner is that the mentor can deliver coaching advice whilst on the ground while a runner cannot. A runner is to deliver a message and leave the playing field immediately. Mentors are allowed inside the forward 50m during a kick-out if they are not near the play. A free kick will not be awarded for this infringement.

#### **Ground managers**

Ground managers are to wear Fluro yellow vests as provided by the MCDFNL and purchase from the League Competition Coordinator.

Each MCDFNL home club shall appoint a ground manager who will be responsible for the smooth running and operations of the MCDFNL fixture at their club's ground.

Should an MCDFNL Club fail to appoint a Ground Manager for their home fixture, or so appoint a Ground Manager who fails to adequately perform the above duties, the Club shall be liable to a penalty as determined by the MCDFNL Board.

#### **All other officials**

Timekeepers, Medical Personnel (other than trainer), Interchange Stewards, Property Stewards, Coaches and their Ground Staff.

These officials are not required to wear a particular uniform or attire other than their Club attire, note however should a doctor be called on to the ground, the Central Umpires must be notified immediately, to avoid any problems with unidentified personnel on the playing arena.

#### **Non-playing - on ground personnel**

Any on ground official or player shall remain outside of the boundary line, and should the ground be so marked with lines to denote the coaches box, shall not move outside of that area, when not involved with play.

Failure to do so may lead to an Umpires report, or the game being held up until the matter is resolved. All on Ground personnel must be listed on the team sheet.

#### **Junior coaches**

The Club junior coach shall wear a Fluro vest as supplied by the MCDFNL which identifies this person as the coach of the game being played. The junior coach must wear this vest at all times to allow umpires to be aware of who is responsible for the personnel within the coaches box.

#### **Officials in bench area**

Only persons authorised may enter the playing arena during the playing of a match and must remain within the marked area around the interchange box.

Clubs competing in the MCDFNL Senior competition are permitted to have up to four (4) officials (including Coach, Asst Coach, Chairman of Selectors, etc.) within the marked confines of the Interchange box.

All officials, apart from Trainers and Water Carriers, are to remain seated in the coaches box at all times during play, or within the confines of the perimeter lines surrounding the Coach's Box. If no lines are marked, all must remain within the confines of the Coach's Box.

If there is insufficient space within the coach's box, or no box is provided, then remaining officials are to be situated outside the boundary fence. Trainers and Water carriers may be spread around the ground but must be positioned against the fence and not on the boundary line when at rest.

All other personnel not mentioned above are considered unauthorised, and umpires have been instructed to remove them from the ground. Any Club desiring authorisation of any other officials must apply to the League for such authorization, prior the commencement of the fixture.

**PENALTY:** Coaches and their coaching staff who don't remain within the perimeter lines surrounding the coaches box will be penalised \$50 per offence.

#### 57. REGISTRATIONS

The minimum age of players shall be 7 years of age before April 30th of the current calendar year. Each player must complete an online registration with Play HQ prior to the start of the season.

Any Club playing an unregistered player at any level will be penalised as per AFL Victoria Country Rule.

**PENALTY:** Loss of match points and fines not less than \$500 (Senior, Reserve & Underage games) or not greater than \$250 (Underage games).

A player participating without completing an online registration through Play HQ is not insured and the Club may be held liable for any injury via negligence, therefore, such a process exists to protect Clubs.

Clubs will forfeit points from the match that an unregistered player plays in, unless extraordinary circumstances exist, and the decision is overruled by the Board of the MCDFNL and the AFL Victoria Country Region Manager.

#### 58. SCOREBOARDS

Each venue used for MCDFNL matches, both open-age and underage, must be equipped with an operational scoreboard. Scoreboard attendants must be of a suitable age and competent to do a satisfactory job. Scoreboards should operate throughout all games and be kept as accurate as possible. Clubs must supply scoreboard attendants for each and every game.

**PENALTY:** A \$50 fine will be imposed on each game that doesn't have a scoreboard attended and operational.

**59. INCORRECT NUMBERS**

All players must wear AFL Victoria Country approved uniforms complying with the registered colours of their Club and including numbered jerseys, and wear shorts and socks of registered colours.

The numbers worn by players must correspond with the player's team sheet and official League program, otherwise the Club shall be liable to a fine as determined by the Board of the MCDFNL for each such offence.

In the event of the replacement of a jersey during a match, the Ground Manager and Central Umpire must be notified of the change of player's number, or the Club shall be liable to a fine.

**60. LOGOS ON UNIFORMS**

A maximum of four logos may be attached to the front of all MCDFNL Club playing Guernsey's, each of which must not exceed 10 cm x 6 cm, one of which must be the AFL Victoria Country & AFL Victoria Country Sponsor logo (if applicable) and the MCDFNL Major Sponsor logo.

Two logos are permitted on the shorts. Each logo is 10cm x 6cm and one must be the MCDFNL league logo, the other is permitted for club use.

## FOOTBALL DISCIPLINARY PROCEDURES

The following Disciplinary By-Laws should be read in conjunction with the Ballarat FNL Independent Tribunal, Match Review Panel and Investigations Overview documents available to clubs.

### 61. CODES OF CONDUCT

The MCDFNL has adopted various codes of conduct, which include (and are available from the league website):

- Junior Coaches & Club Officials
- Junior Players & Parents and Spectators of Junior Football

### 62. INVESTIGATIONS

When the League Investigations Officer conducts an investigation in the League, they shall provide at least 48 hours' notice in writing to a club notifying of any interviews.

All interviews will be conducted at Saxon House, or at a place to be determined by the Investigations Officer.

#### 63.1 INVESTIGATION FEES

## McDonald's MCDFNL Operations Manual & By-Laws

the league. Investigations must be logged in accordance with the timeframes outlined in Rule 5 Investigations.

If a club requests an investigation, they are required to pay a fee of \$500. The club requesting an investigation shall only receive a refund in full if the reported party is found guilty. If there is no case to answer, then the club that requested the investigation forfeits the fee in its entirety. This includes any investigation that goes to the independent tribunal.

In extenuating circumstances (e.g., more difficult, complex or lengthy investigations) the Investigations Officer may request an amount over & above the flat rate of \$500 and which will be negotiated with the MCDFNL accordingly. In such instances, the MCDFNL will adjust the amount of \$500 to the revised amount in the above case. Should a club fail to be able to commit to attend investigation interviews at Saxon House and as such the venue is changed to suit the need of the club affected, a flat fee of \$100 shall be charged to that club which shall be paid to the Investigations Officer.

Clubs who fail to cooperate with the investigation process shall be fined a minimum of \$200. The League, in conjunction with the Investigations Officer, shall determine if a club has failed to cooperate with the investigation process. Examples of failing to cooperate include players/officials not turning up for interviews, clubs failing to confirm their availabilities for interviews or clubs withholding members from the investigation process.

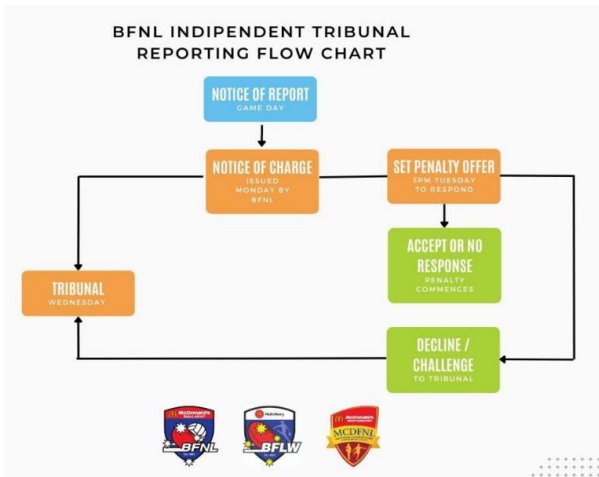

Any other fines implemented as a result of recommendations from the Investigations Officer or as a result of a subsequent Tribunal hearing shall be issued to the club in question on top of any other fines or fees that apply.

### 63. TRIBUNAL

The Ballarat FNL Independent Tribunal is held on the Wednesday or Thursday following a round of matches at BFNL Headquarters. Hearings are to commence from 6:30pm with a maximum of three hearings scheduled on any night.

Other clubs, the reporting Umpire or the MCDFNL may request the hearing proceed, prior to the above times. The tribunal will not commence a new case after 10.30pm with any pending cases held over until a later night. Club attire or smart casual attire must be worn at all tribunal cases.

Clubs not represented at Tribunal hearings shall incur a fine in addition to any fine imposed by the Independent Tribunal. Thursday nights will be used as a backup night for cases overflowing to the next day in any given week.

#### **STATUTORY DECLARATIONS**

Statutory Declarations may be accepted if any party to a report (i.e., the reported player, the player allegedly offended against and the reporting umpire), is unable to attend owing to work or study commitments, or in the case of illness or injury.

NOTE: A "letter" submitted as evidence will not suffice, and the Statutory Declaration must be signed by a certified signatory (E.g., Justice of Peace, Police Officer, etc.) and date stamped at least 12 hours earlier than the scheduled start time for a tribunal case. Providing the League is notified as early as possible after the report, and that such Statutory Declaration is lodged with the league no later than 12 hours prior to start time on the day of the hearing, the Statutory Declaration may be accepted.

Any Statutory Declaration submitted must set out:

The reason for the missing party's inability to attend the hearing of the person cannot attend the Tribunal on the scheduled night

A full description of the incident (or incidents) being the subject of the report. This must include – Time of incident (e.g., early in 3rd quarter), location of

incident (e.g., right side wing), location of ball, any provocation, details of incident (e.g., blow with right hand), force of blow, result of impact/collision/blow, etc.

Any reported player who fails to attend or fails to submit a Statutory Declaration as outlined above, or fails to give notice as above, may have the charge or charges heard in their absence.

Similarly, any witness who fails to attend or submit a Statutory Declaration or fails to give notice as above, may be dealt with as the Tribunal sees fit. Any such non-attendance may result in action as determined by the Tribunal and can include fines upon a Club or the suspension of the player.

Any reported player, witness or Umpire who has a legitimate request for an early hearing e.g., work or study commitments, must submit such request by telephone to the Ballarat FNL as early as possible, and no later than 12 noon on the day of the hearing.

#### **ADVOCATES / APPEARANCE**

No tracksuits or hats will be allowed into the tribunal.

Anyone who is a Barrister or Solicitor or is qualified to act as a Barrister or Solicitor is prohibited from acting as an Advocate.

#### **VIDEO/DVD EVIDENCE**

If clubs wish to use their own video/DVD evidence they must provide a signed Statutory Declaration, which certifies that the video/DVD has not been altered or

tampered with. League video evidence does not require a statutory declaration to be used as part of any tribunal case or investigation.

This does not apply to Match Review Panel vision.

#### **INDEPENDENT TRIBUNAL AND APPEAL BOARD**

The MCDFNL in accordance with Section 25 of the AFL National Community Football Policy Handbook, shall engage the BFNL Independent Tribunal as their independent tribunal.

All AFL Victoria Country affiliated Leagues and Regions shall adopt the Tribunal Provisions detailed at Section 25 of the AFL National Community Football Policy Handbook

See By Law 65 for an overview of how the Match Review Panel process is conducted.

#### **TRIBUNAL & MATCH REVIEW PANEL MEMBERSHIP**

The members of the Tribunal and Match Review Panel shall not hold any other office in the League, nor be an official of any Club affiliated with the League, nor have been an official of any Club affiliated with the League for a period of 12 months. of 24 months. A person may not be a member of both the Tribunal and Match Review Panels at the same time.

Any Football Official, Player, parent, or guardian of a Player must appear before the Tribunal if requested to do so by the Controlling Body or Tribunal.

In respect of a Tribunal hearing:

- The Chairperson may excuse a Person from appearing at a Tribunal hearing if the Chairperson is satisfied that the Person is suffering from an injury or medical condition that will reasonably prevent that Person's attendance.
- Any Person, including a charged Person's representative, who wishes to attend a Tribunal hearing via video or telephone must first seek the prior approval of the Controlling Body (except where video or telephone conferencing is the forum fixed by the Controlling Body).
- The Controlling Body or Tribunal may, at any time prior to the Tribunal hearing, vary the date, time and place/forum of the Tribunal hearing and upon doing so, must advise all directly interested parties of such variation; and
- If a Person issued with a Notice of Charge or Notice of Breach, or that Person's representative, fails to appear at a Tribunal hearing at the notified date, time and place/forum, the Tribunal may proceed to hear and determine the matter and impose any sanction in the absence of that Person or that Person's representative or postpone the Tribunal hearing.

### **GUILTY VERDICT FEE FOR INDEPENDENT TRIBUNAL HEARING OUTCOMES**

Any Club whose player is found guilty of an offence by the Independent Tribunal shall be fined \$200 per guilty offence in addition to any other penalty handed down by the Independent Tribunal. This is to assist with the increasing costs associated with hosting tribunal cases. Funds received via this fee shall be retained by the League.

#### **USING VIDEO EVIDENCE IN TRIBUNAL CASES**

Where a Club wishes to tender a Club or non-authorised video as evidence in a particular case, the Club must notify the League no later than 10am on the day of the hearing and such video must be delivered to the League no later than Noon on the scheduled day of the tribunal hearing.

The video evidence MUST also be accompanied by a signed statutory declaration confirming that the footage provided is true and correct and has not been altered in any way (excluding slow-motion footage).

Video evidence received after this time, unless agreed to by the league, will not be accepted as evidence in the case. A member of the MCDFNL Board, Regional General Manager, MCDFNL Competition Coordinator and the Umpiring Association General Manager or Umpiring Association Chairman has the right to lay a report and/or request an investigation based on video footage presented to them.

#### **CLUB UMPIRE REPORTING POWERS**

Under AFL Victoria Country Rules and MCDFNL By-Laws any person who takes the field and acts as an Umpire (whether a BFUA official or a Club Volunteer) does have the full powers of an "officially accredited" Umpire, and therefore can report or send off players at their discretion.

Volunteer Club Umpires who lodge a report are also represented by the BFUA advocate at any subsequent tribunal hearings.

It is further worth noting the following rules from the AFL Victoria Country Rules Handbook to clear up any confusion – In the AFL Victoria Country Rule Book the definition of an umpire includes all field, boundary and goal umpires officiating or at a match. Volunteer Club Umpires shall register with the AFL Victoria

Country Football Development Manager and Players can be umpires if there are insufficient numbers of umpires available.

Therefore, once we establish that any Volunteer Club Umpires are “official umpires” they have an obligation to report as part of their duties as an umpire. To ensure that your Volunteer Club Umpires are registered as Volunteer Club Umpires and that they have the full power as outlined above, all Clubs must ensure that these Volunteers do complete the official AFL Victoria Country Clearance/ Registration Form – circling the Registration field, and then write at the top of this form “CLUB UMPIRE”. The League shall then register these Umpires with the AFL Victoria Country Football Development Manager as a Club Umpire. Clubs must also carry out this step to ensure that your Club Umpire is covered by the AFL Victoria Country Insurance Policy.

#### **MCDFNL BOARD MEMBERS/UMPIRES OBSERVER POWER TO REPORT**

Where a MCDNFN Board Member or Umpires Observer is in attendance at a junior game (Under 17, Under 15, Under 13, Under 11 and Under 9, they shall have the same powers of reporting offences as the appointed Umpire.

NOTE: In addition to the above, any official BFUA Umpires Observer/coach at any League game also has the power to report players/officials and due process will be followed under AFL Victoria Country Rules.

#### **TRIBUNAL AUDIO FILES**

Clubs will be provided with a copy of the audio file from a Tribunal Hearing when requested. The BFNL shall charge a fee of \$100 for providing this copy.

#### **COMMENTS IN THE MEDIA**

Any Club Member (player or official) found to have made inappropriate comments in the media towards a member of the MCDNFN, AFL Victoria Country, or Umpiring Association shall be fined an amount at the discretion of the Board. The MCDNFN Board shall decide the appropriateness of the comments made and the offending party will be given the opportunity to explain their actions prior to a fine being handed down.

#### **TEAMS NOT BREAKING FROM THE HUDDLE**

When the single siren is blown to indicate the end of a break the club/s not breaking from the huddle will be fined 5 penalty units per occasion with clubs to be named on the Umpire's match report sheet.

#### **LEAVING PLAYING FIELD**

The senior grade shall be permitted to leave the playing field during the half time interval - including the Finals Series. All other grades must remain on the field at ½ time, except under extreme weather conditions. Clubs leaving the playing field inappropriately shall be liable to a fine of 20 penalty units for all Senior teams and a fine of 10 penalty units shall apply to all other teams.

Failure of Clubs to return to the playing field by the specified time will result in a fine of 2 Penalty Units per Minute being applied.

#### **64. MATCH REVIEW PANEL PROCESS\***

\*In the event of an MCDFNL-authorized match being filmed.

The MCDFNL/BFNL introduced a Match Review Panel of up to five members who are appointed to review incidents raised from official MCDFNL footage and asked to make a determination on whether the player(s) in question may have breached one of the AFL Victoria Country rules as outlined on the official report sheet. The process for incidents raised by clubs and referred onto the Match Review Panel is as follows:

##### **Step 1: Incident Raised with the League**

Any on-field incident that may have been missed by the officiating Umpire(s) can be raised with the league for further review. Requests to review footage must be submitted through a club's Board or Umpiring Association and incidents must be raised with the league via email prior to 12pm on a Tuesday following a round of matches. From there, the league puts in a request to our media partners to send a copy of the footage in three different speeds which is then forwarded on to all Match Review Panel members. If footage of the incident cannot be found, the

person requesting the review will be informed and the case shall go no further. NOTE: At this point a club may wish to take the incident to investigation if they feel the incident still requires attention.

At this point, both clubs involved as well as the Umpiring Association, are informed that a case is currently sitting with the Match Review Panel and a decision is pending on an incident that occurred during the game in question.

**Step 2: Review of the Incident by the Match Review Panel**

Once the footage has been found, it is sent to all panel members along with a copy of the official report sheet. Panel members are asked to review the footage and determine if an AFL Victoria Country rule (as listed on the report form) has been breached.

**Step 3: Informing the BFNL of Final Decision**

Once all Match Review Panel members have had a chance to review the footage, each member must then inform the League via email by the close of business on the same day of their decision on whether or not an AFL Victoria Country rule has been breached. The Match Review Panel is made up of an odd number of members at all times meaning the majority rules on any decision made on whether or not a case is referred to the tribunal.

**Step 4: Informing the Club of the Match Review Panel Outcome**

Once a decision has been determined by the Match Review Panel, all clubs will be informed of the decision made. Either of the following will happen:

- a. The Match Review Panel will determine whether a player or players may have a case to answer to and the case will be referred to the Independent Tribunal for hearing.
- b. The Match Review Panel will determine that a player or players have no case to answer to and the case will go no further NOTE: At this point a club may wish to take the incident to investigation if they feel the incident still requires attention.

If a case is referred to the tribunal, both clubs and the Umpiring Association will be provided a completed report sheet informing the breach of AFL Victoria Country rule(s), this sheet will also be used during the tribunal case.

**Step 5: Case Moves on to Tribunal Hearing (If Applicable)**

Should the case be referred to the Independent Tribunal, the case shall run the normal course that any other tribunal case would run.

NOTE: A fee of \$200 shall apply for Match Review Panel requests in the following instances: - To the club who requests a MRP incident, and it DOES NOT proceed to the Tribunal - To the club who has a player sent to the Tribunal resulting from a MRP case review

IMPORTANT: This fee is in addition to any guilty verdict fees or fees handed down by the Tribunal.
